

NOW OFFERING

INTERMODAL LTL

MONTREAL VANCOUVER

24|7
REAL-TIME TRACKING

As a natural evolution to our full load intermodal service, Axsun is now offering both eastbound and westbound LTL service to and from Montreal and Vancouver.

To continue to provide customers with superior versatility and unmatched performance, your LTL freight will be shipped in Axsun containers giving you 24/7 real-time tracking and visibility through Blackberry Radar. **Axsun, for all your transportation needs across Canada, the United States and Mexico.**

One Source. One Promise.
